

**CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

BRETT A. TRIMPER

AGE: 39

OCCUPATION: Healthcare Contracts Manager

I'm running for City Council because our Garden Grove government must listen and be more responsive to the needs of our residents.

I'm a proud product of the GGUSD. I am also a member of the Central Garden Grove Neighborhood Association, who feels that the residents of East, Central and West Garden Grove have a united voice still not being heard. I'm a neighbor and friend, proving that one person can make a difference.

The city must act decisively and responsibly together with our schools so that our children receive the best education possible. We must also recognize the importance of the Garden Grove Unified School District's recommendations.

We need to focus on "smart development" instead of "any development." We must protect our neighborhoods by managing traffic and growth.

Our Police and Fire agencies are currently under staffed and under funded. We must have sufficient resources to protect our citizens and to keep the city free from gangs and violence.

Working together, we can help our schools, properly manage growth and traffic while providing our families with the safety and security they deserve. They say, "You can't fight City Hall." I say, "Why should we have to?"
